Grey Muzzle Manor will be hosting its second annual “Hops for Hooves” event on May 04, 2019 at the Liberty Fire Company in Sinking Spring. We outgrew last year’s venue before even arriving and are so excited for this year! We will host a variety of craft beer vendors, local businesses with an emphasis on artisans, entrepreneurs, and crafters, and an array of various eateries. Grey Muzzle Manor would like to invite you to promote your organization by offering various opportunities to be an integral part in “Hops for Hooves.”

Grey Muzzle Manor is a nonprofit organization that is made up of a few unique key facets that stem from a platform of acceptance, non-judgement, and staying present through a variety of ways. We act as a sanctuary for senior animals and animals with special, programming enabling struggling families to not have to give up a pet for a temporary problem. This includes our new SAFER Program. The SAFER (support for animals and their families) Program provides long-term temporary foster care for individuals seeking treatment for addiction, mental health issues, escape from domestic violence, and more with the goal of reunification. Grey Muzzle Manor also provides mental health services utilizing animal assisted psychotherapy, art therapy, client-centered therapy, or a combination from qualified clinicians.

“In kind” donations (donations of supplies, raffle items, etc in lieu of monetary) and sponsorships will display the potentiality of good that surfaces when local businesses can collaborate and unify to make our county a better place. It will also provide your business the opportunity to show support for the progressive and positive facets that Grey Muzzle Manor provides. Each sponsorship includes being included in various promotional materials, advertisements in local publications, and having your business mentioned in a digital and printed media. You can be an integral part in promoting and furthering our mission. Grey Muzzle Manor is founded on the promotion of acceptance, non-judgement, and staying present. Please join us in changing perspective from judgement and negativity, to presence and positivity.
